Celebrating our 18th Year!

For Campers Ages 10-14

In its 18th year, MSSM Summer Camp is excited to encourage campers to pursue their passion in science, technology, engineering and mathematics. Campers become scientists, computer programmers, engineers and mathematicians for a week through hands-on, interactive classes. Camp is a great place to meet friends who also enjoy math and science as well as enjoy the fun of a traditional summer camp.

CLASSES

Each year, the MSSM Summer Camp offers a variety of hands-on classes, including camp standards like "Lift Off" (Rocket Building), "Real Life CSI," "Animal Medicine," "Chemistry in the Kitchen," "Computer Programming & Robotics," and "Out of the Box Engineering." The course offerings vary each year based on instructors' interests and talents; they are announced in early spring on our website. Campers get to select their top course choices.

Boys' Camp

Week 1: Ages 10-12 June 21-27
Week 2: Ages 11-13 June 28-July 4
Week 3: Ages 12-14 July 5-11

Girls' Camp

Week 1: Ages 10-12 July 12-18
Week 2: Ages 11-13 July 19-25
Week 3: Ages 12-14 July 26- Aug. 1

CAMP ACTIVITIES

In addition to excellent classes, campers will also have the opportunity to participate in a variety of activities throughout the day. These activities include camp classics like capture the flag, swimming, laser tag, Quidditch, tie-dye, and rock-climbing. We also offer an evening program each night including camp originals, such as "Black Out Night" and "Monster Night." In addition, Friday evening, we have our camp Talent Show.

Where can I get an application?

Visit our website at: www.mssm.org, call 207-325-3303, or email mssmsummercamp@mssm.org

Where is camp?

Our camp is located in Limestone, Maine at the Maine School of Science and Mathematics.

Math isn't my favorite subject. Can I still go to camp?

Of course! Campers choose from a variety of fun, hands-on courses. There's a course for everyone!

How long is camp?

Camp is one week long.

Can I go for more than one week?

Campers ages 11, 12 and 13 can stay for 2 weeks.

How much does it cost?

The cost of camp is \$700. This includes room, board, and all expenses for all classes.

Is transportation provided?

A camp chaperoned school bus travels along Route 95 stopping at designated spots between Limestone and South Portland for each camp session. Space is limited; there is a fee for this service.

Is financial aid available?

Yes, we offer \$350 and \$200 scholarships for those who qualify.
