

# IT'S TIME...TO CONSIDER

The Maine School of Science and Mathematics

P.C. Paul Cyr

The Maine School of Science and Mathematics

## ACADEMIC PROGRAM

Looking for something different?  
Like thinking outside the book?  
Enjoy hands-on experiences?

Then the rigorous and rewarding academic program at MSSM might be the right fit for you!

MSSM courses offer motivated students an academic challenge, encouraging them to learn beyond their perceived limits!

### J-Term

An innovative ten-day program providing students the opportunity to focus on a particular course or project through on-campus courses, organized trips or internships.

### Students can earn college credit

Through agreements with learning institutions such as the University of Maine at Presque Isle, the University of New England and more.

### Unique and advantageous partnerships

Exist between MSSM and some of Maine's finest research institutions, including the Jackson Laboratory.

### Excellent academic support

By providing students with an academic and residential advisor whom they meet with regularly.

## MSSM STUDENTS are...

- » Curious
- » Highly motivated
- » High achieving
- » Looking for a challenge
- » Emotionally prepared to live away from home
- » Interested in contributing to a residential community

### Classes are small

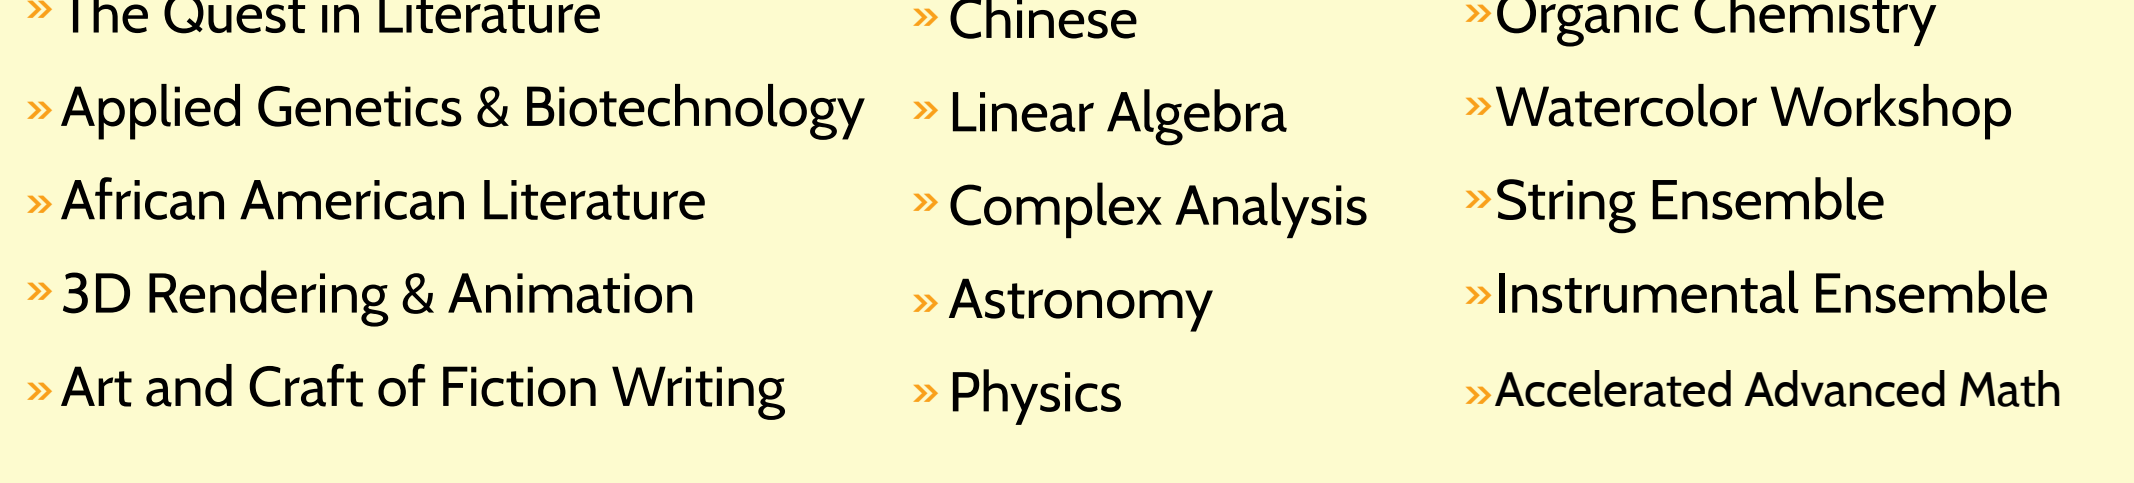

With an average size of 12 students, which facilitates an exceptional degree of faculty and student interaction.

### Engaging and knowledgeable faculty

Who are specialist in their fields and enthusiastically disseminate information and challenge students to explore the world.

### Prepares students for future studies and for life

By imparting the importance of time management, organization, critical thinking and inquisitiveness, while emphasizing the need to be a positive contributor to the community.

- » Dance Club

## STUDENT LIFE

**At MSSM** you'll find a small, close-knit residential community where students are comfortable being themselves, lifelong friendships are formed, and the residential life staff is committed to creating a warm, safe, and positive environment.

### Dormitory

Is spacious and bright with high ceilings and large windows. There are convenient laundry facilities and comfortable lounge areas. There is also an attached gymnasium.

### Monthly Extended Weekends

Offer future from around the state, who are often a long way from home, the opportunity to reconnect with their families and communities.

**Northern Location Promotes Immersive Experience**  
By offering a safe place where students can grow, both academically and socially, and become an integral part of the academic and residential communities.

### Physical Activity

Is encouraged and the school provides a variety of on and off campus events such as biking and skiing. In addition students are able to participate in varsity and junior varsity athletics.

## ADMISSION EVENTS & CAMPUS VISITS

MSSM has a few open houses during the year and they usually fall on public school holidays. Coming to an open house gives you the chance to see the campus, visit classes, have an interview, and listen to a community panel.

Visit [www.mssm.org](http://www.mssm.org) to register for an open house or to arrange a campus visit.

## TUITION & FINANCIAL AID

MSSM is tuition-free for Maine residents, who are only responsible for paying room & board fees. Financial Aid is available.

Please contact us for more information or visit [www.MSSM.org](http://www.MSSM.org).

### Where do MSSM students attend college?

- Mass Institute of Technology
- University of Maine
- Rensselaer Polytechnic Institute
- Rochester Institute of Technology
- Bowdoin College
- Princeton University
- Johns Hopkins University
- Embry-Riddle University

### Our MSSM graduates pursue a variety of careers...

- Engineering
- Programming
- Entrepreneurship
- Scientist
- Teacher
